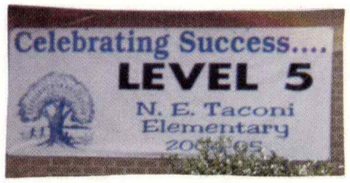
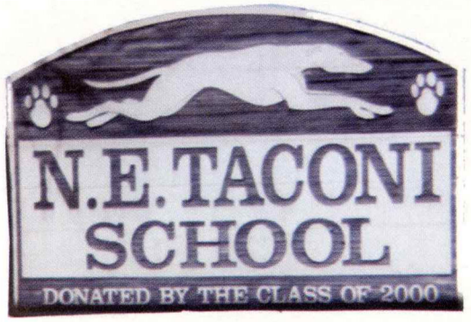
N. E. TACONI ELEMENTARY
2005-2006



This yearbook is a record of the memories you hold both individually and in common as students of N. E. Taconi Elementary School. This has been a very difficult year for all of us. Due to Hurricane Katrina we have had good times and bad times. One memory I will certainly cherish is the look on the faces of the students and teachers at Taconi on the day we returned after the storm. Being back together at Taconi Elementary and seeing each other safe put a smile on everyone's face. We all worked together and helped each other. It is our hope that you have felt safe at Taconi and your days were filled with learning and growth. You have received an education that will serve you well throughout your lives, and the memories within these pages will turn your thoughts back to your days at Taconi.

On behalf of the faculty and staff, I wish you health, happiness, and success throughout your lives.

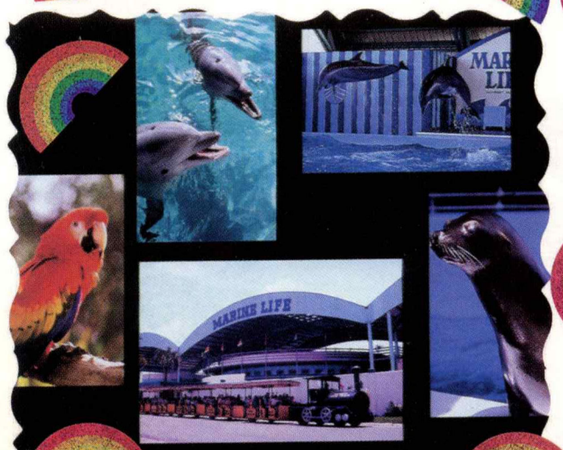
Sincerely,
Mrs. Dollar



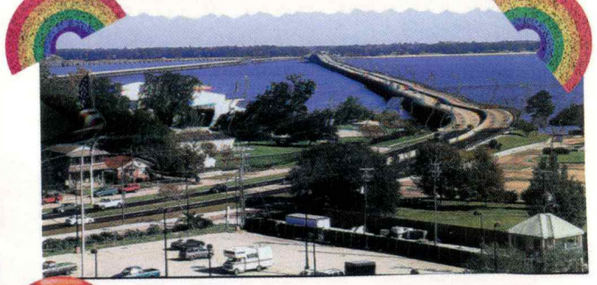
GREYHOUNDS

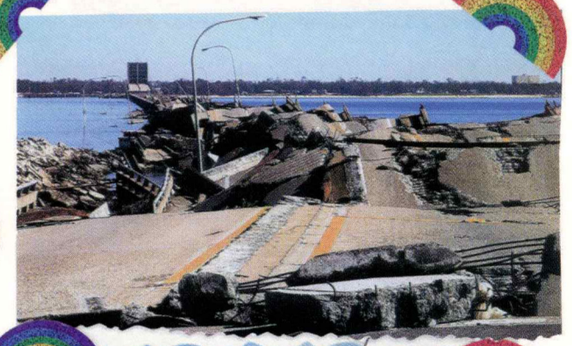
HURICANE KATRINA

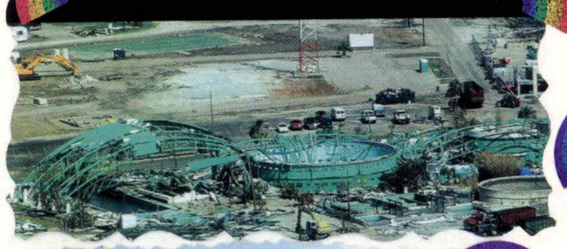
On August 29, 2005, the Mississippi Gulf Coast was devastated by a storm. Her name was Hurricane Katrina. We all lost something during this time; homes, belongings, and friends. We have regained our spirits, some homes, and lots of new friends. There is a saying: "*You must go through the storm to find a rainbow*".
THIS BOOK IS DEDICATED TO ALL HURRICANE VICTIMS.

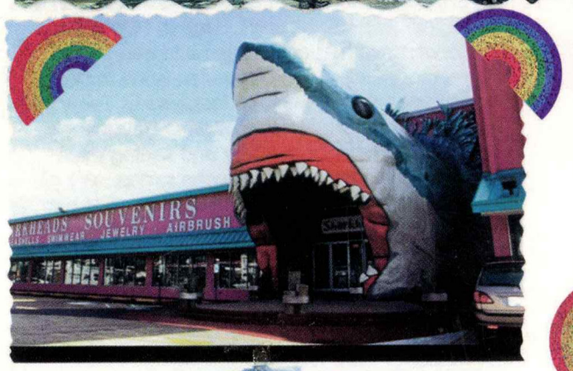


MARINE LIFE









THIS TUGBOAT WASHED ASHORE DURING CAMILLE IN 1969. SHE WAS TURNED INTO A SOUVENIR SHOP AND HOSTED SCORES OF VISITORS OVER THE YEARS. KATRINA TOOK THE GIFT SHOP BUT THE TUG STILL REMAINS
